

MAKE WIND: THE ABSOLUTE BEGINNER PAGE

Don't worry.

This is EASY.

I only want two things.

Two small things.

Just send us a video of the following:

NUMBER 1:

**Play long notes on your wonderful instrument for about 30 seconds.
(Yes, it's ok to breathe when you need to- I would!)**

NUMBER 2:

**Play the most raucous note on your instrument, once.
(Extreme facial contortions encouraged.)**

We'll make sure you're a part of the final video!
